CALENDAR BRIEFS

Wanda Storer - Calendar Editor
Donna Sorenson - Assistant

The purpose of this part of the UMPus is to inform you of the student events scheduled for this week. I hope you will take advantage of the many club meetings lectures and social functions. Consider this your official invitation to attend. Remember you get out of college just what you put into it; studying is not the only pathway to knowledge.

OUTING CLUB

The first meeting of the Outing Club will be held Thursday, October 6 (today) in North Hall. The Outing Club plans bi-monthly outings such as mountain climbing, bike riding, horseback riding and various other one-day activities. To add to the excitement a couple of week-end events may also be planned. (Did you hear about last year's ski trip?) So grab your hot dog and run over to North Hall and get in on the fun.

"WAITING FOR GODOT"

The first cultural event of the season at UMP will be held Friday, October 7. The Boston Theatre Company's production of "Waiting For Godot" will be presented in Luther Bonney Hall at 2:00 p.m. and 8:15 p.m. This play, written by Samuel Beckett has a great impact on the modern theatre and should be very interesting and cultural.

PIZZA PARTY

Come one, come all to the Pizza Party on Friday from 5:30 to 7:00 p.m. sponsored by the Owls and Eagles. Election results will be announced at 6:00 p.m. An up and coming folk singing group, The Devon Square Trio will provide entertainment. Tickets will be sold Thursday and Friday for fifty cents in front of the cafeteria and in the lobby of Luther Bonney.

KYROS TO SPEAK

The Young Democrats' Club will sponsor Peter Kyros, Democratic candidate for Congress, who will speak at Luther Bonney Hall Auditorium on Monday, October 10, at 1:00 p.m. His topic will be on Viet Nam and Education, and he will entertain questions.

Kyros, a Portland native, was educated in Portland schools, attended M.I.T., is a graduate of the U.S. Naval Academy at Annapolis, and served ten years in the U.S. Navy. He is also a graduate of Harvard Law School and is a practicing attorney in Portland.

He served as attorney for the Maine Public Utilities Commission, as Democratic State Chairman 1964 - 1966, and

Cont'd from Page 1, Col. 2
in the 102nd Maine Legislature. The
UMPus urges all interested students
to attend.

AW5

All girls are urged to attend the
meeting of AWS Tuesday, October 11 in
the auditorium of Luther Bonney. This
year's plans call for establishment of
some girls athletics (for those waist-
lines), community service projects,
speakers and a first for UMP - a Spring
formal! To get the ball rolling, Mrs.
Niven from Pineland will be the speaker.
This should be especially interesting to
those of you who might wish to work as
a volunteer at Pineland. Remember girls-
Tuesday, October 11 - LBH auditorium -
there's something for everyone!

COMMUNITY CONCERT SERIES

The Student Activities Board has
purchased a limited number of tickets
for the Community Concert Series which
may be picked up free of charge at
the Information Desk in the lobby of
Luther Bonney Hall on Monday or Wednes-
day. The first concert will be held
October 13, Thursday evening, at 8:15 p.m.
in the Portland City Hall Auditorium.

THE SPORTING NEWS

Sports Editor:
Richard Bonaventura
Reporter:
Bruce Morse

Welcome sports followers to a year
of increasing athletic achievement and,
we hope, to an improving sports column.
The upperclassmen know about last year's
second semester column and the less said
about that, the better. This column
will be different, and we hope an im-
provement. Please keep in mind that we
are not expert writers nor do we claim
to be. We would appreciate sports notes
from anyone. The staff includes four
highly capable athletes in their own
respect. Bruce Morse won his freshman
jacket by competing on last year's
stellar freshman basketball team and is
a member of the track team. Linwood
Arnold won his varsity letter from the
track team of which he was honorary
captain and holds two school track re-
cords. Robert Lapp won his varsity
jacket by playing on the baseball team
and he was a member of the freshman
basketball team. Richard Bonaventura
won his varsity letter in track and holds
several school track records. He is on
the cross country team and is captain
of next spring's track team. We will
try to keep you abreast of the sports
week-by-week.

"Morse code" on the intramural
league-- Well, gridiron fans, the intra-
mural football season has arrived at UMP
again. The league is dominated by mean,

experienced monsters, and the line play
this year promises to be ferocious.
But there is a definite lack of the fast
halfbacks that break a football game
open.

For the next few weeks, we will
be analyzing the teams and making our
predictions on the outcome of important
games. Here is the first of the pre-
dictions:

The Falcons, the only freshman team,
are composed primarily of Triple-C
athletes, who make up for their lack
of football savvy by playing a hustling
spirited brand of ball. Led by Terry and
John Fillmore, the Falcons show a strong
pass defense but lack the size to
develop a sound blocking game or mount
a good pass rush. This team could be a
spoiler if they pick up a couple of
big men and coordinate their offense.

The "Holly Rollers" are a group of
large, experienced, mobile and extremely
agile sophomores. Jack Burner and
Paul Reynolds, a couple of fine multi-
sport athletes, provide the "Holly
Rollers" with a sound defensive secondary.
Burly Bruce Livingstone offers a rifle
arm and suprising speed. Little Dave
Lent, Tony Holt and John Connolly pro-
vide Livingstone with a bevy of fine
receivers. Stalwarts Craig Robinson,
Frank Simpson and Bruce Morse are
solid linemen. (The preceding paragraph
was an unpaid political announcement).
Next week's docket lists two good games
including Monday, "Defenders" vs. "Cast-
offs" and Tuesday, "Dubs" vs. "Holly
Rollers."

The cross country team opened its
season at Manchester, N.H., against St.
Anselms. The team had the minimum of
the five men needed to score in a meet,
and ran perhaps the toughest course in
New England. The water was ankle deep
in places and the fields were full of
potholes. But, our predominately fresh-
man team ran on through the downpour.
St. Anselms barely defeated our valiant
troop. Frosh, Al McCann was the first
UMP finisher with a fine effort in his
first college try. Next was Dick
Bonaventura, a sophomore, 25 seconds
behind McCann. Another 20 seconds
separated him from Jim Sproul, who was
followed by Ralph Madore and Glen
Cummings, all frosh. The small difference
in finishing times shows that this team
is much better balanced than last year's
first winning squad. The cross country
team consists of 6 runners at the present
time, 5 frosh and 1 sophomore. Surely
there are more "men" in our predominant
male enrollment who can run 4 miles.
Those who would like to try report to the
athletic office now! Results of the
meet are: 1. Mahoney (SA), 2. Giaccasse
(SA), 3. McCann (UMP) 4. Couture (SA),
5. Bonaventura (UMP), 6. Lynch SA
7. Sproul (UMP), 8. Madore (UMP)
9. Cummings (UMP), 10. Paul (SA), 11 Fallon
12. Mayotte (SA).

OFFICE REPORTS

From the Dean's Office

Something probably should be said about the continuing problem of finding enough space for parking. The new regulations, as described in the "Viking Guidelines", are intended to help us make the best possible use of present facilities, and we need your continued cooperation to make this the case. The basic problem is likely to be with us for a long time, however, despite major efforts on the University's part.

There are increasing numbers of people--day and evening students, faculty, staff, visitors - using our facilities and a minimum amount of land which is both usable and available for parking. We will do all we can within our resources to provide increased parking area, but our size and location make certain realities worth mentioning:

(1) More people will need to walk several blocks from off-campus parking areas. This is true in all city universities and will become increasingly common here. (2) More people will work out car pool arrangements. (3) More people will use public transportation. The Senate and other student groups have been asked to contribute ideas on this problem and we look forward to further progress during the year.

Everyone is interested in the two new buildings authorized for this campus by the last state legislature. Both the physical education and science buildings are now in the stage of preliminary drawings which must receive Trustee approval. The next step is application for federal construction grants, a process which will take several months following the October filing date. Then come various screenings by state and federal authorities. UMP will ask contractors for bids as early in the spring as possible, and break ground by early summer. If all goes well, both buildings will be ready for use in September 1968.

From Student Affairs Office

Facilities: We are working to improve facilities for student activities. The "cottage", formerly CES Headquarters, is being renovated and will become the new home for Student Publications and the Laboratory Theatre. It is our hope to develop more lounge and meeting space for students in the near future.

Student Union: Other new developments of the Student Union will be of interest to students.

1. Mr. Van Amburg is maintaining a

master calendar of all University events. Organizations wishing to schedule an event may clear the date through him, and he will help them with proper procedure for reserving rooms and getting events on the weekly all-University calendar.

2. A personal message board has been started in the Union to answer an obvious need for a large central space for quick transmission of messages. This is experimental, of course, but students are urged to use it and to check it daily. Messages phoned in will be referred to the Union and left on this board.

Concert-Lecture Series: A ticket office for sale of concert-lecture series tickets has been established in the Information Booth of Bonney Hall. Tickets will be sold 2:00-4:30 Mon., Wed., and Fri. afternoons. Any student who would like to help out by working a few hours at this desk should see Dr. Dissell or Mrs. Files in 122 Bonney.

Be sure to look over the program for the fall cultural events series. Copies are available on Bulletin Boards in Bonney and Payson Smith as well as in the Bookstore and the Union.

Room List: Students are reminded that a list of rooms for rent is available in 122 Bonney. See Mrs. Files.

From the Student Senate:

It's that time again, and we're not talking about it being fall. The school has been transformed by a wind-fall of papers, not leaves. Mountain Day -- 1966

Early on Sunday, October 2, all the mountain climbers from U.M.P. treked to Lost Valley in Auburn. Soon all the energetic climbers had raced to the top of the hill and back. Next the aroma of hotdogs and hamburgers filled the air and a rush for the food ensued. After lunch the boys formed several vigorous football games while the girls cheered them on. Although there was not a large turnout, all who went despite muscle aches and incomplete homework, agreed that it was a successful day.

Editorials:

Ken Jones - Editor
Mary Durdan, Bessie Wilder - Editorial staff

As editor, I would like to welcome you to the 1966 - 67 U.M.P.us. It has been a struggle for the U.M.P.us to get under way this year; the paper's late appearance exemplifies this fact. I agreed to be editor mainly because no one else seemed to want the responsibility; but with an excellent staff and your cooperation, I am positive that this year's UMPus will be a success.

The general plan for the paper will be the same as last year's. We will have a student calendar and a sports column - "The Sporting News." Events on the calendar which require further explanations will have them. A new section of the paper will be devoted to reports from the various offices of the University. We are expecting weekly reports from the Dean's Office, the Student Affairs Office, and the Student Senate. Reports are also expected as often as necessary from the Registrar's Office, the Bursar's Office, the Athletic Office, the Student Aid Office, the Library, etc. These reports will inform the students about different activities taking place in the University, and will also give the various offices a chance to speak directly to the students.

I would like the various clubs and organizations on the campus to send in reports on their activities and projects, but it is up to the club presidents or secretaries to inform us as to what they want printed in the paper. This gives the clubs a chance to obtain some free publicity and perhaps a few new members.

The editorial section will include at least one major editorial and several minor editorials. One of the most important parts of the paper is the "Letters to the Editor". This section gives an opportunity to anyone to express his opinion on any subject. We must know who wrote any letter submitted; however, the author's name can be withheld upon request. We also plan to include several questionnaires concerning student opinions. Contributions must be in Mr. Van Amburg's office by 4:00, Tuesday. The UMPus staff needs your help to make the paper a success this year. The only purpose of the UMPus is to serve the students by keeping them informed.

From the Library

Have you tried the new copying machine in the library? If not, get with it. The next time you arrive at the library five minutes before closing time to read nine pages in the Encyclopedia Britannica - don't panic! Make a copy.

It's easy to use - just insert a dime, follow the simple instructions and in a few seconds walk away with a clear copy of a page from any book or magazine. You will find that many of your friends have been delighted with it. It's located near the reference collection - you can not miss it.

From the Athletic Office

BASKETBALL

Candidates must sign up in the Athletic Office before Oct. 10. Try-outs will be on Monday, Oct. 17. For further information see Coach Sturgeon. Freshmen are eligible to play varsity ball.

Managers are desperately needed for the track and basketball teams. Report to the Athletic Office if you are interested. Fringe benefits include free meals on trips.

From the Plant Supervisor's Office

Mr Edward I. Salmon, plant supervisor of U.M.P., has been notified by Forest City Motor Co. that their parking lot space will be needed for their own requirements. Students and faculty using the parking lot are being asked to find other spaces to park their cars. We would like to thank the officials of the company for permitting the students and faculty to park their cars in the company parking lot.

Notice to the Seniors:

Any senior who missed the placement meeting may pick up the registration
